The amount you choose to defer pursuant to Part I below shall not exceed the applicable limitations of Internal Revenue Code Sections 415, 402(g) and 414(v), whichever is less, as applicable. Amounts contributed to the Section 403(b), ROTH 403(B) and/or 457(b) plan will be invested among the approved investment options and selected by you in a separate investment election form.

Subject to any advance notice period to process this Salary Reduction Agreement "Agreement" for payroll purposes, this Agreement shall become effective on the later of the following: (i) the second payroll cycle following the payroll cycle this form is received by the Human Resource/Payroll Office; or (ii) as soon as the form can reasonably be entered following the return of this Agreement to the Human Resource/Payroll Office. This Agreement replaces any previously submitted Agreement for this plan, and shall remain in effect unless revoked or modified in writing as permitted by the terms of the Section 403(b), ROTH 403(b) and/or 457(b) Plans and in accordance with such form(s) as the Commission may from time to time provide.

Please be advised that any election you make below applies only to salary deferrals to the 403(b), ROTH 403(b) and/or 457(b) Plan sponsored by the Commission via payroll contributions. If you participate in another 403(b), ROTH 403(b), 457(b), or 401(k) retirement plan, you should consult your tax advisor regarding the overall limits that apply in your individual circumstances.

**Note: Certain federal law limitations apply in determining whether you are eligible to select “Age 50+ Catch-Up”. If you are or will be at least 50 years of age on December 31 of the current calendar year, you are eligible for catch up contributions. If you are not using the Age 50+ Catch-up for the 457(b) plan, and you are 62, you may participate in the 457(b) Special Three Year Catch-Up Plan. Please contact the Human Resource Office if you have questions. If you select the maximum amount allowed by law, the amount deferred will be based solely on your participation in the Section 403(b), ROTH 403(b) and 457(b) Plan available through your employer and you will be required to notify the Human Resource Office of any desired change. For instance, if the maximum contribution amount (or catch-up amount) is increased by law, this election will not automatically authorize an increase in your deferral election. Rather, contributions will remain at the maximum amount permitted at the effective date of this election unless a new election is completed. If an employee’s deductions reach the maximum amount within the calendar year, the Payroll Office will stop payroll deductions until January 1 of the following calendar year. Your election will remain in force until you change it, no longer meet eligibility requirements, or you no longer meet minimum net pay requirements.*

Important Note: For new participants please enroll in the respective plan on-line at www.tiaa.org/vvhepc to set up your account. If you don’t take action you will be enrolled in the default investment with your estate as your beneficiary.
