

# IOWA

As you embark on summer's final chapter, **don't forget:**

---

Enhancements to the University of Iowa retirement plans at TIAA are coming soon!

University Benefits Office  
120 University Services Building  
Iowa City, IA 52242

## A reminder about what's changing:

**Introducing the University of Iowa Target Retirement Series**—a new, custom target date series tailored for UI employees

**An updated investment lineup**—featuring several new options with lower costs

**A new self-directed brokerage option**—for those experienced investors who want access to even more options beyond the retirement plans' core lineup

**Seamless investment transitions within TIAA**—eligible balances in your mandatory, voluntary and 457(b) deferred compensation plans will be automatically transferred to the new options

## No longer employed by the University of Iowa, but still have a balance in the retirement plans?

The upcoming plan changes will apply to you. Although you are not actively contributing to the retirement plans, you have a balance in one or more accounts impacted by the changes. Be sure to carefully review this and future communications for the details and any action steps you may want to consider.

## More details are coming your way when the University of Iowa's fall semester begins!

Watch your email or designated mailing address with TIAA in early August for a detailed transition guide that includes:

- Key dates
- Specific action steps you may want to take
- Information about available resources—including webinars, onsite seminars and one-on-one counseling sessions with TIAA financial consultants

Until then, visit [tiaa.org/uiowa](https://tiaa.org/uiowa) or call TIAA at **800-842-2252**, weekdays, 7 a.m. to 9 p.m. CT.
