How Does a Proxy Work?

When you vote by proxy, you are instructing the agents named on the proxy card how to vote on your behalf at the meeting. If you sign and return the proxy card but do not specifically instruct the agents otherwise, they will vote FOR the election of all the nominees listed herein for Trustee and FOR ratification of the selection of PricewaterhouseCoopers LLP to serve as CREF's independent registered public accounting firm. At this time, the Board of Trustees of CREF ("Board") does not know of any other matters being presented at the meeting. If other matters are brought before the meeting, the proxy agents will vote the proxies using their own best judgment in their discretion, as allowed by the proxy. All proxies solicited by the Board that are properly executed and received by the Secretary prior to the meeting, and are not cancelled, will be voted at the meeting.

Who May Vote; How Many Votes Do I Get?

Each person having voting rights on May 31, 2013 may vote at the meeting with respect to each item on the proxy ballot. On May 21, 2013, there were 215,485,335,563.37 total votes eligible to be cast, broken down as follows by CREF account (each, an "Account" and, collectively, the "Accounts"):

| | |
|--|---|
| Stock Account - 118,554,159,684.58 votes | Social Choice Account - 12,490,701,636.23 votes |
| Money Market Account - 11,699,390,199.38 votes | Global Equities Account - 17,384,607,705.28 votes |

| Inflation-Linked Bond Account - 9,839,959,217.04 votes | Equity Index Account - 14,193,331,328.55 votes |

The number of votes you have is equal to the dollar value of your accumulation in each Account on May 31, 2013. If you are receiving annuity payments, the number of votes you have is equal to the dollar amount held on May 31, 2013, in the annuity fund of each Account to meet CREF's annuity obligations to you. We will count votes expressed to two decimal points.

How Many Votes Are Needed for a Quorum or to Pass a Vote?

There will be a quorum for the meeting if 10 percent of the votes entitled to be cast vote in person or by proxy. Abstentions are counted in determining whether a quorum has been reached. A Trustee shall be elected to the Board if he or she receives a majority of the votes cast at a meeting where a quorum is present. Approval of any other proposals requires a majority of the votes cast at a meeting where a quorum is present. Abstentions from voting are not treated as votes cast for this purpose. No votes are cast by brokers.

If a quorum is not present at the meeting, or if a quorum is present at the meeting but sufficient votes to approve one or more of the proposed items are not received, or if other matters arise requiring participant attention, the persons named as proxy agents may propose one or more adjournments of the meeting to permit further solicitation of additional votes.

I. ELECTION OF TRUSTEES

One purpose of the annual meeting is to elect a Board. Each CREF Trustee is elected to serve for one year and until his or her successor shall take office. Pursuant to the provisions of the bylaws of CREF and resolutions of the Board, the maximum number of Trustees has been fixed at ten. The CREF bylaws also give the Board authority to appoint new Trustees to fill vacancies between annual meetings.

At this annual meeting, you are being asked to elect to the Board the ten current Trustees. Information about each of these nominees is set forth below. It is intended that properly executed and returned proxies will be voted FOR the election of the ten nominees unless otherwise indicated in the proxy.

Each nominee was first recommended by the Nominating and Governance Committee of the Board. This Committee consists of Trustees who are also themselves nominees and, like all the other members of the Board, are not “interested persons” as such term is defined in the Investment Company Act of 1940, as amended (“1940 Act”).

Each of the nominees has consented to serve if elected. If any nominee is unavailable to serve when the meeting is held, the proxy agents may cast your votes for a substitute chosen by the current Board.

The Board, which is composed entirely of Trustees who are not “interested persons” (as defined in the 1940 Act) of CREF or of TIAA-CREF Investment Management, LLC (“Investment Management”), CREF’s investment adviser, unanimously recommends that the participants of CREF vote FOR the election of each of the Trustees.

MANAGEMENT OF CREF

THE BOARD OF TRUSTEES

CREF is governed by its Board, which oversees CREF’s business and affairs. The Board delegates the day-to-day management of the Accounts to Investment Management and the officers of CREF (see below).

BOARD LEADERSHIP STRUCTURE AND RELATED MATTERS

The Board is currently comprised of ten Trustees, all of whom are independent or disinterested, which means that they are not “interested persons” of CREF as defined in Section 2(a)(19) of the 1940 Act (“independent Trustees”). One of the independent Trustees, Howell E. Jackson, serves as the Chairman of the Board. The Chairman’s responsibilities include: coordinating with management in the preparation of the agenda for each meeting of the Board; presiding at all meetings of the Board; and serving as a liaison with other Trustees, CREF’s officers and other management personnel, and counsel to the independent Trustees. The Chairman performs such other duties as the Board may from time to time determine. The principal executive officer of CREF does not serve on the Board.

The Board meets periodically to review, among other matters, the Accounts' activities, contractual arrangements with companies that provide services to the Accounts and the performance of the Accounts' investment portfolios. The Board holds regularly scheduled in-person meetings and regularly scheduled meetings by telephone each year and may hold special meetings, as needed, either in person or by telephone, to address matters arising between regular meetings. During a portion of each regularly scheduled in-person meeting and, as the Board may determine, at its other meetings, the Board meets without management present.

The Board has established a committee structure that includes six standing committees, each comprised solely of independent Trustees and chaired by an independent Trustee, as described below. The Board, with the assistance of its Nominating and Governance Committee, periodically evaluates its structure and composition as well as various aspects of its operations. The Board believes that its leadership and operating structure, which includes its committees and having an independent Trustee in the position of Chairman of the Board and of each committee, provides for independent oversight of management and is appropriate for CREF in light of, among other factors, the asset size and nature of CREF and the Accounts, the number of Accounts overseen by the Board, the number of other funds overseen by the Trustees as the trustees of other investment companies in the TIAA-CREF Fund Complex (as defined below), the arrangements for the conduct of the Accounts' operations, the number of Trustees, and the Board's responsibilities.

CREF is part of the TIAA-CREF Fund Complex, which is comprised of the 8 Accounts within CREF, the 59 funds within TIAA-CREF Funds ("TCF"), the 10 funds within the TIAA-CREF Life Funds ("TCLF") and the single portfolio within TIAA Separate Account VA-1 ("VA-1"). The same persons who constitute the Board also constitute, and Professor Jackson also serves as the Chairman of, the respective boards of trustees of TCF and TCLF and the management committee of VA-1.

QUALIFICATIONS OF TRUSTEES

The Board believes that each of the Trustees is qualified to serve as a Trustee of CREF based on a review of the experience, qualifications, attributes or skills of each Trustee. The Board bases this view on its consideration of a variety of criteria, no single one of which is controlling. Generally, the Board looks for: character; integrity; ability to review critically, evaluate, question and discuss information provided and exercise effective business judgment in protecting shareholder interests; and willingness and ability to commit the time necessary to perform the duties of a Trustee. Each Trustee's ability to perform his or her duties effectively is evidenced by his or her experience in one or more of the following fields: management, consulting and/or board experience in the investment management industry; academic positions in relevant fields; management, consulting and/or board experience with public companies in

other fields, non-profit entities or other organizations; educational background and professional training; and experience as a Trustee of CREF and other funds in the TIAA-CREF Fund Complex.

Information indicating certain of the specific experience and relevant qualifications, attributes and skills of each Trustee relevant to the Board's belief that the Trustee should serve in this capacity is provided in the table below. The table includes, for each Trustee, positions held with CREF, length of office and time served, and principal occupations in the last five years and other relevant experience and qualifications. The table also includes the number of portfolios in the TIAA-CREF Fund Complex overseen by each Trustee and certain directorships held by each of them in the last five years.

RISK OVERSIGHT

Day-to-day management of the various risks relating to the administration and operation of CREF and the Accounts is the responsibility of management, which includes professional risk management staff. The Board oversees this risk management function consistent with and as part of its oversight responsibility. The Board performs this risk management oversight directly and, as to certain matters, through its committees (which are described below). The following provides an overview of the principal, but not all, aspects of the Board's oversight of risk management for CREF and the Accounts. The Board recognizes that it is not possible to identify all of the risks that may affect CREF and the Accounts or to develop procedures or controls that eliminate CREF's and the Accounts' exposure to all of these risks.

In general, an Account's risks include, among others, strategic risk, market risk, credit risk, liquidity risk, valuation risk, operational risk, reputational risk, and legal, regulatory and compliance risks. The Board has adopted, and periodically reviews, policies and procedures designed to address these and other risks to CREF and the Accounts. In addition, under the general oversight of the Board, Investment Management, the investment adviser for each Account, and other service providers to the Accounts have themselves adopted a variety of policies, procedures and controls designed to address particular risks to the Accounts. Different processes, procedures and controls are employed with respect to different types of risks.

The Board and/or its committees regularly receive reports, presentations and other information from officers of CREF and other persons, including from the Chief Risk Officer or other senior management personnel for Investment Management and its affiliates. Senior officers of CREF, senior officers of Investment Management and its affiliates (collectively, "TIAA-CREF"), and CREF's Chief Compliance Officer ("CCO") regularly report to the Board and/or one or more of its standing committees on a range of matters, including those relating to risk management. The Board and/or its committees also regularly receive reports, presentations and other information from Investment

Management with respect to the investments and securities trading of the Accounts. At least annually, the Board receives a report from CREF's CCO regarding the effectiveness of CREF's compliance program. Also, on an annual basis, the Board receives reports, presentations and other information from Investment Management in connection with the Board's consideration of the renewal of CREF's investment management agreement with Investment Management and CREF's distribution plan under Rule 12b-1 of the 1940 Act.

Officers of CREF and officers of TIAA and its affiliates also report regularly to the Audit and Compliance Committee on CREF's internal controls and accounting and financial reporting policies and practices. CREF's CCO reports regularly to the Audit and Compliance Committee on compliance matters, and the TIAA-CREF Chief Auditor reports regularly to the Audit and Compliance Committee regarding internal audit matters. In addition, the Audit and Compliance Committee receives regular reports from CREF's independent registered public accounting firm on internal control and financial reporting matters.

The Operations Committee receives regular reports, presentations and other information from CREF's officers and Investment Management personnel regarding valuation and other operational matters. In addition to regular reports, presentations and other information received from Investment Management and other TIAA-CREF personnel, the Operations Committee receives reports, presentations and other information regarding other service providers to CREF, either directly or through CREF's officers, other Investment Management personnel or CREF's CCO, on a periodic or regular basis.

The Investment Committee regularly receives reports, presentations and other information from Investment Management with respect to the investments, securities trading and other portfolio management aspects of the Accounts.

The Corporate Governance and Social Responsibility Committee regularly receives reports, presentations, and other information from Investment Management regarding the voting of proxies of the Accounts' portfolio companies.

CURRENT CREF TRUSTEES, NOMINEES AND EXECUTIVE OFFICERS

The following table includes certain information about CREF's current Trustees, nominees and executive officers, including positions currently held with CREF, length of office and time served, and principal occupations in the last five years and other relevant experience and qualifications. The table also includes the number of portfolios in the TIAA-CREF Fund Complex overseen by each Trustee and certain directorships held by each of them. The first table includes information about CREF's disinterested Trustees and nominees and the second table includes information about CREF's officers.

[†] Compensation figures include cash and amounts deferred under both the long-term compensation plan and optional deferred compensation plan described below.

* Amounts deferred under the long-term compensation plan described below. Messrs. Berkley, Kenny and Sloan, Prof. Poterba and Drs. Jacob and Starks elected to defer a portion of this compensation in accordance with the provisions of such plan.

[‡] A portion of this compensation was not actually paid based on the prior election of the Trustee to defer receipt of payment in accordance with the provisions of a deferred compensation plan for non-officer Trustees described below. For the fiscal year ended December 31, 2012, Mr. Berkley elected to defer \$215,000, Mr. Kenny elected to defer \$195,000, Prof. Poterba elected to defer \$196,000, Mr. Sloan elected to defer \$290,000, Dr. Jacob elected to defer \$23,500 and Dr. Starks elected to defer \$215,000 of total compensation earned from the TIAA-CREF Fund Complex.

CREF has a long-term compensation plan for Trustees. Currently, under this unfunded plan, annual contributions equal to \$75,000 for each Trustee are allocated on a notional basis to CREF Accounts and TIAA-CREF Funds chosen by the Trustee. Benefits will be paid after the Trustee leaves the Board in a lump sum or in annual installments over 5, 10, 15 or 20 years, as elected by the individual Trustee. The Board may waive the mandatory retirement policy for the Trustees, which would delay the commencement of benefit payments until

the Trustee eventually retires from the Board. Pursuant to a separate deferred compensation plan, Trustees also have the option to defer payments of their basic retainer, additional retainers and/or meeting fees, and allocate those amounts to the same options as under the long-term compensation plan, as chosen by the individual Trustee. Benefits under that plan are also paid in a lump sum or annual installments over 5, 10, 15 or 20 years, as elected by the Trustee, after the Trustee leaves the Board. The compensation table above does not reflect any payments under the long-term compensation plan.

Trustees are compensated at the following rates which became effective January 1, 2012: an annual retainer of \$150,000; an annual long-term compensation contribution of \$75,000 (further described above); an annual committee chair fee of \$20,000 (\$25,000 for the Chairs of the Operations and Audit and Compliance Committees); an annual Board chair fee of \$75,000; and an annual committee retainer of \$20,000 (\$25,000 for the Operations Committee and Audit and Compliance Committee). The chair and members of the Executive Committee do not receive fees for service on that committee. The Trustees may also receive special or ad hoc Board or committee fees, or related chair fees, as determined by the Board. In general, Trustee compensation reflects service to all of the investment companies within the TIAA-CREF Fund Complex and is prorated to those companies based upon assets under management. The level of compensation is evaluated regularly and is based on a study of compensation at comparable companies, the time and responsibilities required of the Trustees, and the need to retain and attract well-qualified Board members.

CREF has adopted a mandatory retirement policy for its Trustees. Under this policy, Trustees who attain the age of 72 are currently not eligible for re-election at the next succeeding annual meeting of CREF; and they must also resign from the Boards of Trustees of TCF and TCLF and the Management Committee of VA-1, effective as of the last day of said Trustees' memberships on the CREF Board. Such requirement may be waived with respect to one or more Trustees for reasonable time periods upon the unanimous approval and at the sole discretion of the Board. The Trustees eligible for the waiver are not permitted to vote on such proposal regarding their waiver.

BOARD MEETINGS

TRUSTEE NOMINATION PROCESS

The Board has a Nominating and Governance Committee which is responsible for nominating candidates for the Board. The Nominating and Governance Committee considers recommendations from a variety of sources, including participating institutions and educational organizations.

The Committee may, from time to time, retain third-party search firms to identify nominee candidates whose competencies meet the criteria the Board deems important to CREF. In addition, the Committee may invite recommendations from the members of the CREF Board of Overseers, current Trustees and others.

The Committee reviews the information submitted on the backgrounds and qualifications of those persons recommended. In considering current Trustees for renomination to the Board, the Committee evaluates each Trustee's Board and committee participation, contributions to the management of CREF and attendance at Board and committee meetings. Although CREF does not have a formal policy regarding diversity, in preparing a slate of Trustee candidates, the Nominating and Governance Committee seeks to ensure a broad, diverse representation of academic, business and professional experience and gender, race and age.

The Committee submits final nominations to the Board after consultation with the CREF Board of Overseers to the extent consistent with the 1940 Act and rules thereunder.

RECOMMENDATIONS FROM PARTICIPANTS REGARDING NOMINATIONS

Participants may submit recommendations to the Nominating and Governance Committee by forwarding the names and background of nominees to the Corporate Secretary of CREF by keying in candidate recommendations at the following website: www.tiaa-cref.org/crefnominee or mailing the information to the Corporate Secretary of CREF, 730 Third Ave, New York, NY 10017-3206.

QUALIFICATIONS OF NOMINEES

The Board has determined that it should be comprised of individuals who can contribute sound business judgment to Board deliberations and decisions, based on their relevant business, management, professional, academic or governmental service experience. Candidates for the Board should have reached a senior level in their chosen field, be of uncompromised integrity, and be able to fulfill their responsibilities as Trustees without conflict with CREF. At least one Trustee should qualify as an audit committee financial expert for service on the Audit and Compliance Committee. Each Trustee should be prepared to devote substantial time and effort to CREF Board duties and should limit the number of his or her other board memberships in order to provide such service to CREF. Candidates for the Board should be individuals with an understanding of and affinity for academia, and a demonstrated ability to work in a constructive manner with other Board members and management.

When seeking to fill a specific opening on the Board, the Nominating and Governance Committee will consider the specific needs of the Board at the time to assure an overall balance and range of specialized knowledge, skills, expertise and diversity to provide the foundation for a successful Board.

A candidate for service as an independent Trustee must not be an “interested person,” as that term is defined in the 1940 Act, of CREF or Investment Management. Each candidate must provide such information requested by CREF as may be reasonably necessary to enable the Board to assess the candidate’s eligibility.

PARTICIPANT COMMUNICATIONS WITH TRUSTEES

Letters or e-mails from participants addressed to the Board or individual Trustees may be sent to the CREF Trustees c/o Corporate Secretary, 730 Third Avenue, New York, NY 10017-3206 or their website: trustees@tiaa-cref.org. These communications will be forwarded to the Board’s Chairman in accordance with established policies concerning participant communications that have been approved by a majority of independent Trustees.

TRUSTEE ATTENDANCE AT ANNUAL MEETINGS

Trustees are expected to attend the annual meeting of CREF participants. If a Trustee is unavailable to attend the meeting, a reason must be provided. Each of the Trustees then in office attended the 2012 annual meeting.

II. RATIFICATION OF THE INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Board has unanimously approved the selection of PRICEWATERHOUSECOOPERS LLP as CREF’s Independent Registered Public Accounting Firm, and recommends that the participants of CREF ratify the selection thereof.

PricewaterhouseCoopers LLP (“PwC”) served as the independent registered public accounting firm (“Independent Auditor”) to CREF for the fiscal year ended December 31, 2012. Both the Audit and Compliance Committee and the Board, each of which consists solely of independent Trustees, have chosen to continue with the services of PwC for the fiscal year ending December 31, 2013. PwC was initially selected in 2005 following a competitive bidding process and has served as the Independent Auditor to CREF as well as to the other funds within the TIAA-CREF Fund Complex since that time.

In making its selection, the Board and the Audit and Compliance Committee discussed with PwC issues involving relationships among PwC, TIAA and the TIAA-CREF Fund Complex, and their affiliates, that could reasonably be thought to bear on PwC’s independence, and concluded that PwC was independent. PwC confirmed its independence to the Board and the Audit and Compliance Committee. As part of this process, the Board and the Audit and Compliance Committee considered that while PwC would also serve as the Independent Auditor for Investment Management, TIAA and Teachers Advisors, Inc., the investment adviser to the funds other than CREF that are in the TIAA-CREF Fund Complex, this would not compromise PwC’s independence. The Board considered that this arrangement would produce a more cost-effective audit.

As CREF’s Independent Auditor, PwC will perform independent audits of CREF’s financial statements for the fiscal year ending December 31, 2013.

Representatives of PwC will attend the meeting and be available at the meeting to respond to questions, but it is not expected that they will make any statement at the meeting.

AUDIT FEES

For the fiscal years ended December 31, 2012 and December 31, 2011, PwC’s aggregate fees for the audit of the CREF’s annual financial statements were \$1,024,750 and \$1,005,550, respectively.

AUDIT-RELATED FEES

Audit-related fees are fees related to assurance and related services that are reasonably related to the performance of the audit or review of financial statements, but not reported under audit fees. CREF did not pay any fees to PwC for audit-related services for the fiscal years ended December 31, 2012, and 2011.

TAX FEES

CREF did not pay any fees to PwC for professional services related to tax compliance, tax advice and tax planning for the fiscal years ended December 31, 2012 and 2011.

ALL OTHER FEES

CREF did not pay any fees to PwC for any other products or services rendered to CREF for the fiscal years ended December 31, 2012 and 2011.

PREAPPROVAL POLICY

The Audit and Compliance Committee has adopted a Preapproval Policy for External Audit Firm Services (“Policy”). The Policy describes the types of services that may be provided by the Independent Auditor to CREF without impairing the Independent Auditor’s independence. Under the Policy, the Audit and Compliance Committee (or its designated member) is required to preapprove certain services to be performed by CREF’s Independent Auditor in an effort to ensure that such services do not impair the Independent Auditor’s independence.

The Policy requires the Audit and Compliance Committee to appoint the Independent Auditor to perform the financial statement audit for CREF, including approving the terms of the engagement. The Policy also requires the Audit and Compliance Committee (or, with respect to non-audit services, its designated member) to preapprove the audit, audit-related and tax services to be provided by the Independent Auditor and the fees to be charged for provision of such services from year to year.

All services provided by the Independent Auditor for CREF and certain non-audit services provided by the Independent Auditor to CREF’s adviser or its affiliates for the fiscal years ended December 31, 2012 and 2011 were preapproved by the Audit and Compliance Committee (or its designated member, as appropriate) pursuant to the Policy.

AUDITOR FEES FOR RELATED ENTITIES

PwC’s fees for professional services rendered for non-audit related services to CREF and Investment Management and its affiliates for the fiscal years ended December 31, 2012, and 2011, were approximately \$417,730 and \$256,730, respectively.
