Making Changes to the SUNY Voluntary 403(b) Savings Plan

Making retirement account changes with Retirement@Work
Retirement@Work is the online enrollment and management system for the State University of New York Retirement Plan. You can return to Retirement@Work anytime to:

- Change your investment providers for your Optional Retirement Program (ORP) and Voluntary 403(b) Savings Plan (VSP) accounts.
- Manage (start, stop, restart, increase or decrease) your 403(b) salary deferral elections online.
  - If you are starting new contributions, click on the Set up contributions button.
- Enroll in the pre-tax (Traditional) and/or after-tax (Roth) option.
- View your VSP account balance.
- Make informed decisions with consolidated views of your current and historical account information—including account balances, contributions and distributions across all providers.

Employees may only view and manage their ORP and 403(b) accounts with Retirement@Work. The Defined Benefit Plan—NYS Retirement Plans (TRS or ERS), New York Police and Fire Retirement System (PFRS) as well as the NYS Deferred Compensation Plan—are not administered by Retirement@Work. For additional information on these benefit programs and individual advisors available for your campus, please refer to suny.edu/retirement.
