Enroll in the SUNY Voluntary 403(b) Savings Plan

There’s never been a better time to save more for retirement.

This guide has been designed to assist employees with enrolling or making changes in the SUNY Voluntary 403(b) Savings Plan (VSP).

Save more with the SUNY Voluntary 403(b) Savings Plan (VSP)*

The VSP provides you an opportunity to save for retirement on a pre-tax (Traditional) and after-tax (Roth) basis. With the pre-tax (Traditional) option, your contributions plus any earnings are not taxed until you withdraw the funds, allowing for even greater potential savings through tax-deferred growth.

Money invested in the after-tax (Roth) option is taxed when it is deducted from your paycheck and it provides the potential to withdraw earnings on a tax-free basis in retirement with a qualifying distribution. (Minimum of five years from year of initial after-tax [Roth] contribution.)

Taxable amounts received prior to age 59½ may be subject to a 10% penalty in addition to ordinary income, for pre-tax (Traditional) or unqualified after-tax (Roth) distributions.

You are allowed to split your 403(b) contributions between pre-tax (Traditional) and after-tax (Roth) options, although the combination of those contributions cannot exceed the maximum allowed by the IRS.

The current IRS limits for the Voluntary 403(b) Savings Plan are as follows:

<table>
<thead>
<tr>
<th>Age Category</th>
<th>Contribution Limit</th>
</tr>
</thead>
<tbody>
<tr>
<td>Under age 50</td>
<td>$20,500.</td>
</tr>
<tr>
<td>Age 50 or over</td>
<td>$27,000.</td>
</tr>
</tbody>
</table>
