If you are already enrolled in the State University of New York Retirement Plan—Optional Retirement Program (ORP) or one of the NYS Retirement Plan (TRS or ERS)—but have not yet started to save with the SUNY 403(b) Voluntary Savings Program, also called the Tax-Deferred Annuity (TDA), simply follow the steps below to sign up. Also, if you contributed to the TDA previously and would like to restart your tax-deferred contribution, you can do that as well.

Participating in the State University of New York 403(b) Voluntary Savings Plan provides you with an additional opportunity to save for retirement on a pre-tax basis. Remember, all contributions plus any earnings accumulated are tax deferred, and you pay no taxes until you receive your accumulations in retirement.

Once you’ve enrolled in a Retirement System—ORP, ERS, or TRS—or even if you declined participation in the Retirement Plan, you can still participate in the Tax-Deferred Annuity Plan any time during your employment at SUNY. The current IRS limits for the 403(b) Voluntary Savings Program is as follows:

| If you are under age 50 | Your TDA contribution limit is | $18,500 |
| If you are age 50 or over | Your TDA contribution limit is | $24,500 |
