

RETIREMENT AND INVESTING SOLUTIONS

PLAN YOUR FUTURE WITH TIAA BROKERAGE SERVICES.

Building a plan

With a TIAA Brokerage account, you have the flexibility to invest for a variety of specialized goals, including short-term savings, retirement or wealth accumulation, legacy or education planning and cash management. You also always have the option to obtain the support of an advisor or a member of our brokerage team.

Personal investments

TIAA Brokerage accounts are designed to meet your individual goals because one-size-fits-all investing isn't what you want or need. Your TIAA Brokerage account:

- Puts you in control of your investment decisions.
- Provides up-to-date financial news and investment research from Argus Research,¹ Morningstar®, LSEG and Nuveen.
- Offers individual stocks, exchange-traded funds (ETFs), mutual funds and more.
- Includes online tools to research and select mutual funds, stocks, ETFs and fixed-income investments.
- Gives you the option to open a new self-directed non-IRA (e.g., individual or trust) or IRA brokerage account with no annual maintenance expense and the ability to trade stocks and ETFs online for \$0.²

Professional management

Additionally, rest assured, TIAA professionals are always available to assist you. Your managed TIAA Brokerage account provides you with:

- Professional management and investment expertise for your assets.
- Managed accounts and customized portfolios based on your personal situation and goals.
- A team of TIAA investment professionals to help you build an investment strategy based on your objectives.
- Access to Portfolio Advisor,³ a fee-based investment advisory managed account service. A minimum \$50,000 investment is required for this service.

Investing solutions to meet all your needs

Whether you prefer the independence of individual investing with research tools or the support and expertise that comes with professional management, TIAA Brokerage can help you achieve your retirement saving and earning goals.
