- Your TIAA Traditional accumulation is not available as a single payment if it is more than \$2,000. To discuss other options available for this accumulation, or if you have questions, please call us.

ABOUT FEDERAL TAXATION

Your contributions are not subject to taxation because you already paid taxes on them. All earnings are subject to income taxation.

There are Internal Revenue Service (IRS) rules to determine the order in which contributions and earnings are paid to you when you request withdrawals.

- Contributions made **prior to August 14, 1982**, are withdrawn before earnings on those amounts.
- For contributions made **after August 13, 1982**, earnings are withdrawn before contributions. If you are under age 59½, these earnings may be subject to a 10% early withdrawal penalty tax in addition to income tax unless the distribution qualifies for an exception. Please speak with your tax advisor to determine if you qualify for any applicable exception.

If you made contributions **before and after August 14, 1982**, contributions made, followed by amounts earned, prior to August 14, 1982, are withdrawn first for tax purposes. Then, amounts earned after August 13, 1982, followed by contributions made after this date, are withdrawn for tax purposes.

***NOTE:** Another IRS rule applies to all nonqualified deferred annuities issued on and after October 21, 1988. If you own a TIAA After-Tax Retirement Annuity, Teachers Personal Annuity, TIAA-CREF Life Personal Annuity Select, TIAA-CREF Life Lifetime Fixed V Annuity, and/or a TIAA-CREF Life Lifetime Variable Select Annuity, issued in the same calendar year, the IRS requires that the total of all earnings in these nonqualified deferred annuities be combined in order to determine the taxable amount when you request a withdrawal.*

ABOUT STATE TAXATION

State income tax withholding may be required from your distribution. If state withholding is mandatory, we will withhold at the rate required by your state. Please note, the state may allow you to elect not to have withholding applied, to choose additional withholding, or to specify the rate of withholding. For more information on state tax withholding go to TIAA.org/public/tax-withholding. Call TIAA if you have any questions at **800-842-2252**.

6. SIGN YOUR FORM

By signing, you authorize TIAA to make the transfers/withdrawals as stated in this Request for a Payment.

For your protection, TIAA may require additional verification of your identity before accepting your transaction as in good order. You agree that your transaction will be valued as of the market close on the business day that all of steps necessary to verify your identity and the transaction to be in good order have been completed. You also agree that in the event these steps are completed after the market close on a business day, then your transaction will be valued as of the market close on the next business day. The amount of money that you receive will depend on the share or unit price on the day on which your transaction is deemed to be in good order. Due to market fluctuations, the price your shares or units ultimately receive could be less than the share or unit price when you initiated this transaction. It is also possible that if we are unable to reach you to verify this transaction within 5 days, this transaction may be canceled.
