2. REASON FOR REGISTRATION CHANGE

Beneficial owners of UTMA/UGMA accounts must also provide signature certification in Section 3.

A. Re-registration of Accounts Listed with Minor that Comes of Age (Notarized Signature Required - Section 5)

I am a former minor requesting control of the account, or I am a parent or guardian listed on the account providing instructions to remove the current custodian from the account and turn control over to the minor. I am including the completed and signed new account application required to consent to the account terms.

I am providing instructions to re-register the account to:

Print: First Name MI Last Name Today's Date (mm/dd/yyyy) / / 20

B. Change of Custodian (UTMA/UGMA, CESA, or Custodial IRA) (Notarized Signature Required - Section 5)

Current or successor custodian signature is required in Section 4. A court-certified document or a resignation letter appointing the successor custodian below is required. The new account application required is completed and signed, and is included to consent to the account terms.

Print: First Name MI Last Name Today's Date (mm/dd/yyyy) / / 20

Current custodian is deceased. New custodian is appointed. (Notarized Signature Required - Section 5)

Print: Name of Decedent (Current Custodian) Date of Death of Current Custodian Listed (mm/dd/yyyy) / / 20 (Please include certified copy of Death Certificate)

In all cases, a completed and signed new account application (*please choose from the form links on the cover page based on account type, download and include*) to consent to the account terms. If written instructions are already on file, or if there is a current document previously completed by the custodian appointing a successor custodian, the notarized signature from that successor custodian in Section 4 alone is sufficient.

3. UTMA/UGMA CERTIFICATION (REQUIRED)

By signing below, I certify under penalties of perjury that:

- (a) I am the beneficial owner of the assets contained in the account(s) listed on this form;
- (b) I have attained the legal age required by the laws of the state under which the assets were gifted or transferred to me;
- (c) No designation was made by the donor that requires termination of custodianship for my assets be delayed until I reach a later age;
- (d) I have not already received equivalent gifts or transfers of money from the custodian that would reduce the value of the assets due to me in the custodial account(s);
- (e) I am not aware of any competing claims from the custodian or a successor custodian that would prevent me from receiving the assets in the custodial account(s);
- (f) The custodian or successor custodian has declined to release the assets to me as required by applicable state law;

Under penalties of perjury, I certify that: (1) The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and (2) I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and (3) I am a U.S. citizen or other U.S. person; and (4) the FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

I understand that if I do not supply a taxpayer identification number or certify I am not subject to backup withholding will apply to my reportable dividends or interest and/or redemptions and my account may be closed. If I am not a U.S. citizen or resident alien, I understand that I must also supply a completed Form W-8BEN. I also understand that the Internal Revenue Service does not require my consent to any provision of this document other than the certifications required to avoid backup withholding.

This form must be completed and will be verified as required by the USA PATRIOT Act. Federal law requires all financial institutions to obtain, verify and record information that identifies each person who opens an account. What this means for you: When you open an account, we will ask for your name, address, date of birth and other information that allows us to identify you.
