

Please take a moment to consider all your options before taking a cash withdrawal from your TIAA Traditional Annuity. What you do today with that money can significantly impact tomorrow's income. The Transfer Payout Annuity withdrawals are eligible to be rolled over into other eligible retirement plans, so please consider this option. For assistance with this important decision, call us at **800-842-2252**.

### Things to consider if requesting an early withdrawal

#### Early withdrawal penalties

You may be subject to an early withdrawal penalty if you were under age 55 when employment ended, or are under age 59½ at the time of this withdrawal, in addition to ordinary income tax.

#### Tax withholding

Distributions that can be rolled over into eligible retirement plans but are not rolled over are subject to 20% federal tax withholding.

#### Taxation at time of withdrawal

If you begin taking withdrawals from your TIAA Traditional Annuity later in life, you may be in a lower tax bracket and enjoy a lesser tax burden on the distributed funds.

### Alternatives to Retirement Annuity distributions

#### After-tax savings

Any non-retirement assets available may be a better option in the long run.

#### Waiting

Consider holding off on that big purchase until you can save enough outside of your Retirement Annuity.

#### Loans

Do you have access to home equity, consumer or retirement plan loans that may serve you better in the short run?

As with any important financial decision, it's important to seek out your TIAA consultant and a knowledgeable tax professional to help you understand the best options for your circumstances.

TIAA or its affiliates do not provide tax advice. Please consult your tax advisor. Taxpayers should seek advice based on their own particular circumstances from an independent tax advisor.

### WHEN DO I USE THIS FORM?

You currently have a Transfer Payout Annuity and you want to change where the transfers are sent. Complete this form to transfer your TIAA Traditional Annuity account balance as a rollover or as a cash withdrawal.

### KEY INFORMATION TO CONSIDER

- You may be subject to a 10% federal tax penalty for early withdrawal if you were under age 55 when your employment ended, or if you're under age 59½ when you take this withdrawal.
- A withdrawal is taxable if it is not rolled over to another tax-deferred account. For withdrawals (not rollovers) we are required to withhold 20% for federal taxes. To withhold more than 20% federal taxes, you can download Tax Form W4-P from our website.
- If you're not rolling over the withdrawal, we may be required to withhold state tax if you reside in: AR, CA, DE, DC, GA, IA, KS, ME, MD, MA, MI, NE, NC, OK, OR, VT, and VA. If your state tax form isn't included with your forms, go to [TIAA.org/forms](https://www.tiaa.org/forms), and scroll to Find tax forms.

**6. YOUR AUTHORIZATION AND SIGNATURE**

By signing below:

- You agree that this request will be effective with the next withdrawal following receipt of this form and will govern all future withdrawals until you tell us otherwise.
- If you requested that your withdrawal be directly deposited, you authorize that the bank charge your account and refund any overpayments to TIAA. You release your bank from any liability to TIAA for overpayment above the amount of the funds available at the time TIAA requests a refund.
- If you make a direct rollover into another employer's plan, you understand your right to receive a distribution of these funds will be determined by the plan that is accepting the rollover and the funds in which your direct rollover are invested. You further understand that if you make a direct rollover to another employer's plan that is subject to the Employee Retirement Income Security Act of 1974 (ERISA), spousal rights will apply to these funds and you may need a signed waiver from your spouse in order to receive a subsequent distribution of these funds.
- For your protection, TIAA may require additional verification of your identity before accepting your transaction as in good order. You agree that your transaction will be valued as of the market close on the business day that all of steps necessary to verify your identity and the transaction to be in good order have been completed. You also agree that in the event these steps are completed after the market close on a business day, then your transaction will be valued as of the market close on the next business day. The amount of money that you receive will depend on the share or unit price on the day on which your transaction is deemed to be in good order. Due to market fluctuations, the price your shares or units ultimately receive could be less than the share or unit price when you initiated this transaction. It is also possible that if we are unable to reach you to verify this transaction within 5 days, it may result in the transaction being canceled.

Under penalties of perjury, I certify that: (1) The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and (2) I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and (3) I am a U.S. citizen or other U.S. person; and (4) The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

**Note:** There are no FATCA code entries on this form, so please disregard item 4.

**The Internal Revenue Service does not require your consent to any provision of this document other than the certifications required to avoid backup withholding.**

To the participant: If you are married, ONLY your spouse will need to complete Section 8.

Remember, spouse must sign and date this waiver on or after the participant has signed this form.

Please sign using black or dark blue ink.

This section must be completed by either a Notary Public or Plan Representative. If you reside outside the U.S., then you need to go to a U.S. Embassy/U.S. Consulate or U.S. Bank Branch to obtain a Notary Public's signature.

Please contact your benefits office to complete the Plan Representative Certification instead of a Notary Public Certification.

8. SPOUSE'S WAIVER OF SURVIVOR BENEFITS

As the spouse of a participant in an employer-sponsored retirement plan, you have the right to receive a survivor benefit of at least 50% of the participant's (the account owner's) accumulation if he or she dies before you (referred to as a qualified joint and survivor annuity ("QJSA")). The amount may be more, depending on the plan provisions. With this form, your spouse is requesting a distribution in a form other than the QJSA. Because this means that the money used for the distribution will no longer be available to provide a QJSA survivor benefit to you, we must get your consent before completing the transaction. Please read and sign the statement below only if you agree to the distribution in a form other than the QJSA. You do not have to sign this form. If you do not, you will receive the QJSA survivor benefit described in the Explanation of the Qualified Joint and Survivor Annuity.

Important: You must have your signature witnessed by a Notary Public OR the contributing employer's Plan Representative. And you must sign and date this waiver on or after your spouse has signed the distribution form.

By signing I confirm that I have read and understand the Explanation of the Qualified Joint and Survivor Annuity, which includes information about the QJSA and the requirements for spousal consent. I hereby agree to this distribution and understand that the amount to be distributed will not be available as a QJSA survivor benefit. I also understand that this waiver applies to this request only; it does not apply to future requests.

YOU HAVE ALTERNATIVES TO CASH WITHDRAWALS

How much annual annuity income could you receive as an alternative to a cash withdrawal?

Find the age when you may start receiving income and see the corresponding annual lifetime income for different amounts you could convert to an annuity.

If you want income for your lifetime only, use the Single-Life Annuity chart. For income for the lifetime of you and an annuity partner (usually a spouse) use the Two-Life Annuity charts.

These charts are purely hypothetical and do not illustrate past or projected performance of any TIAA and CREF annuity product. These charts use mortality tables that may change in the future, and assume life expectancy at age 65 of approximately 24 years.

Assumptions

- Annual return of 4%
You and your annuity partner are the same age
Your annuity partner's income is reduced upon your death unless you select the Two-Life Annuity with 100% to annuity partner.

\*Any guarantees under annuities issued by TIAA are subject to TIAA's claims-paying ability.

Before you complete your request, we want you to know that making a withdrawal may eliminate other income options in the future—options that could be more appropriate for you in retirement. The charts below show annual income examples from some of our lifetime annuity choices. On the following page you'll also find charts showing payments over a fixed period of time. The Life Annuity options offer income you can't outlive—an important consideration when planning for retirement. \* Conversely, Fixed Period options pay out amounts over a period of years. However, these are only a few of the income options available to you.

Keep in mind that these illustrations are only examples and are not guaranteed. The amounts illustrated do not necessarily reflect what you're eligible to receive.

The purpose of these illustrations is to ensure that you understand the financial effect of withdrawing a portion or all of your balance. A withdrawal will limit what you'll have available for lifetime income or fixed-period income in the future. Our brochure, Lifetime Retirement Income—The Foundation to a Secure Future, details the income choices available and will help you choose the right option for your needs. It is available on our website at: TIAA.org/pubs/pdf/lifetime\_retirement\_income.pdf.

Please carefully review these illustrations before completing the appropriate withdrawal forms.

If you have questions or need any assistance, our consultants are ready to help. Just call 800-842-2252 weekdays from 8 a.m. to 10 p.m. or Saturday from 9 a.m. to 6 p.m. (ET). To contact us by phone internationally, please log in to TIAA.org and click on the Contact Us link at the top right-hand corner of the page. Scroll down the page to click on more phone numbers. In the Call toll-free from abroad section, click on Instructions to view the AT&T international dialing guide where you can locate your international dialing code and dialing instructions. If you would like this illustration and the booklet Lifetime Retirement Income mailed to you, please call 800-842-2252.

For additional income choices not illustrated, please see the last page.

SINGLE-LIFE ANNUITY

You're guaranteed income for life. Income ends at your death unless you have a guaranteed payment period, in which case your estate or beneficiary will continue to receive income until the end of that period.

Table with 8 columns: AMOUNT, AGE 35, AGE 45, AGE 55, AGE 60, AGE 65, AGE 70, AGE 75. Rows for \$10,000, 100,000, and 500,000.

**YOU HAVE ALTERNATIVES TO CASH WITHDRAWALS**

If the income is from a variable account, such as a CREF account, your income in the first year will be approximately the same as shown. Your income may go up or down in future years, depending on the income option and the investment you select.

**Note:** Different assumptions would yield other results. For example, having an annuity partner younger than you would mean a lower annual income; an annuity partner older than you would provide higher annual income. Also, if you choose to add a guaranteed period to the annuity, the annual income will be lower than the numbers illustrated. For the very young, the difference can be less than one dollar.

**TWO-LIFE ANNUITY WITH 50% TO ANNUITY PARTNER**

You're guaranteed income for life. If you die first, your annuity partner's income is reduced to 50% of the original amount. Your income isn't reduced if your annuity partner dies first.

AMOUNT	ANNUAL INCOME YOU WOULD RECEIVE IF YOU BEGIN INCOME AT:						
	AGE 35	AGE 45	AGE 55	AGE 60	AGE 65	AGE 70	AGE 75
\$ 10,000	\$ 450	\$ 483	\$ 536	\$ 576	\$ 631	\$ 706	\$ 812
100,000	4,501	4,826	5,364	5,764	6,308	7,060	8,116
500,000	22,505	24,131	26,822	28,822	31,538	35,298	40,579

**TWO-LIFE ANNUITY WITH TWO-THIRDS TO SURVIVOR**

You're guaranteed income for life. However, income is reduced to two-thirds of the amount after the death of *either* you or your annuity partner.

AMOUNT	ANNUAL INCOME YOU WOULD RECEIVE IF YOU BEGIN INCOME AT:						
	AGE 35	AGE 45	AGE 55	AGE 60	AGE 65	AGE 70	AGE 75
\$ 10,000	\$ 454	\$ 489	\$ 546	\$ 589	\$ 647	\$ 727	\$ 840
100,000	4,540	4,888	5,462	5,889	6,469	7,273	8,404
500,000	22,702	24,440	27,312	29,444	32,345	36,367	42,022

**TWO-LIFE ANNUITY WITH 75% TO ANNUITY PARTNER**

You're guaranteed income for life. If you die first, your annuity partner's income is reduced to 75% of the original amount. Your income isn't reduced if your annuity partner dies first.

AMOUNT	ANNUAL INCOME YOU WOULD RECEIVE IF YOU BEGIN INCOME AT:						
	AGE 35	AGE 45	AGE 55	AGE 60	AGE 65	AGE 70	AGE 75
\$ 10,000	\$ 444	\$ 474	\$ 522	\$ 559	\$ 608	\$ 676	\$ 772
100,000	4,443	4,737	5,224	5,587	6,080	6,761	7,718
500,000	22,214	23,683	26,119	27,936	30,400	33,807	38,592

**TWO-LIFE ANNUITY WITH 100% TO ANNUITY PARTNER**

You're guaranteed income for life. Income continues for the full amount following the death of either you or your annuity partner.

AMOUNT	ANNUAL INCOME YOU WOULD RECEIVE IF YOU BEGIN INCOME AT:						
	AGE 35	AGE 45	AGE 55	AGE 60	AGE 65	AGE 70	AGE 75
\$ 10,000	\$ 439	\$ 465	\$ 509	\$ 542	\$ 587	\$ 649	\$ 736
100,000	4,386	4,650	5,090	5,421	5,868	6,488	7,358
500,000	21,931	23,250	25,452	27,103	29,342	32,438	36,790

**YOU HAVE ALTERNATIVES TO CASH WITHDRAWALS****Fixed Period Annuities**

A Fixed Period, often referred to as an Annuity Certain, pays money out at regular intervals over a period of years. At the end of the period, all payments cease. It does not guarantee lifetime income; rather it guarantees income only for a specific period of time.

**Assumptions**

- Annual return of 4%
- Annual return of 6%

**Note:** Different assumptions would yield other results.

**FIXED PERIOD ANNUITY (ASSUMING 4% RETURN)**

Unlike the Life Annuity options above, Fixed Period Annuities make payments for a fixed number of years and then cease. The number of years for which payments are available is based on your account type and/or your contributing employer's plan rules.

This chart assumes a 4% return.

AMOUNT	ANNUAL INCOME IF YOU RECEIVE PAYMENTS FOR THE FOLLOWING FIXED NUMBER OF YEARS		
	10 YEARS	20 YEARS	30 YEARS
\$ 10,000	\$ 1,207	\$ 720	\$ 566
100,000	12,069	7,203	5,661
500,000	60,346	36,015	28,305

**FIXED PERIOD ANNUITY (ASSUMING 6% RETURN)**

Payments are made for a fixed number of years and then cease. The number of years for which payments are available is based on your account type and/or your contributing employer's plan rules.

This chart assumes a 6% return.

AMOUNT	ANNUAL INCOME IF YOU RECEIVE PAYMENTS FOR THE FOLLOWING FIXED NUMBER OF YEARS

**ADDITIONAL INCOME CHOICES**

You also have the flexibility to receive income through the choices listed below. Depending on your needs and goals, these may help you build a flexible income stream.

**INTEREST-ONLY INCOME**

Interest-Only offers you the flexibility of receiving income without drawing down your TIAA Traditional balance in Retirement Annuity, Group Retirement Annuity and Retirement Choice contracts. Your income includes a guaranteed interest rate of 3% (for most contracts) plus any additional amounts declared above the guaranteed rate. As interest rates change, so does your income. It's an ideal way to supplement your income during a transition to full retirement or if you are working part time. Once you reach age 70½, we generally recommend that you switch to another income choice designed to meet the Internal Revenue Service's (IRS's) required minimum distributions.

### MINIMUM DISTRIBUTION WITHDRAWALS

Generally available for participants who have reached age 70½, this option pays you only the amount needed to meet federal required minimum distributions. That way, your remaining balance can continue to grow tax deferred.

### TRANSFER PAYOUT ANNUITY

The TIAA Traditional Annuity's primary goal is to protect your principal while providing the highest potential return.\* In order to uphold these benefits, withdrawals are limited to a portion of your balance each year. For income from your TIAA Traditional balance in a Retirement Annuity or Group Retirement Annuity, you can receive 10 annual withdrawals through the Transfer Payout Annuity. Group Retirement Annuities may also offer the choice of annual fixed-period withdrawals between 5 and 30 years. And Retirement Choice Annuity contracts offer an 84-month withdrawal option.

For your protection, TIAA may require additional verification of your identity before accepting your transaction as in good order. You agree that your transaction will be valued as of the market close on the business day that all of steps necessary to verify your identity and the transaction to be in good order have been completed. You also agree that in the event these steps are completed after the market close on a business day, then your transaction will be valued as of the market close on the next business day. The amount of money that you receive will depend on the share or unit price on the day on which your transaction is deemed to be in good order. Due to market fluctuations, the price your shares or units ultimately receive could be less than the share or unit price when you initiated this transaction. It is also possible that if we are unable to reach you to verify this transaction within 5 days, this transaction may be canceled.

\*All guarantees are based on TIAA's claims-paying ability.
