WHAT IS A TRANSFER PAYOUT ANNUITY FOR AFTER-TAX RETIREMENT ANNUITY?

The Transfer Payout Annuity (TPA) for After-Tax Retirement Annuity (ATRA) is an option for transferring all of your TIAA Traditional account balances in 10 payments over 9 years to an alternate investment company.

Since the TIAA portfolio is made up of long-term investments, transfers can only be made in 10 payments over 9 years.

Once established, an ATRA TPA contract cannot be converted to any other income option.

CHOOSING THE TIAA TRADITIONAL AMOUNT

Internal Revenue Service (IRS) regulations generally require that you settle your entire TIAA contract (TIAA Traditional and Real Estate) if you want a Transfer Payout Annuity. If you have money in the TIAA Real Estate Account, you should:

- move the money in your Real Estate Account to your CREF variable annuity accounts as an IRS Section 1035 Exchange, or;
- transfer that amount to your TIAA Traditional Annuity accumulation, or;
- request a cash withdrawal of your Real Estate Account accumulation.

This exchange, transfer, or withdrawal must be completed before your Transfer Payout Annuity can be issued. If we did not include the forms for these transactions, please call us.

NOTE: Transfers and 1035 exchanges from the Real Estate Account are limited to one each calendar quarter.

RETURNING YOUR AUTHORIZATION

Your Authorization is for a tax-free transfer from your TIAA After-Tax Retirement Annuity to another insurance company. This type of transfer is called a “1035 Exchange” by the Internal Revenue Service. You are authorizing the transfer of the payment and a partial surrender of the contract to the other company. **We must receive your completed Authorization with the other insurance company’s 1035 Exchange form in order to make your transfer.**

ABOUT FEDERAL REPORTING

Moving your TIAA Real Estate Account accumulation to your TIAA Traditional accumulation is a tax-free transfer. Moving your TIAA Real Estate Account accumulation and your TIAA Transfer Payout Annuity transfer payments to another insurance company is a 1035 exchange, which is a tax-free exchange but must be reported to the Internal Revenue Service.

- For your protection, TIAA may require additional verification of your identity before accepting your transaction as in good order. You agree that your transaction will be valued as of the market close on the business day that all of the steps necessary to verify your identity and the transaction to be in good order have been completed. You also agree that in the event these steps are completed after the market close on a business day, then your transaction will be valued as of the market close on the next business day. The amount of money that you receive will depend on the share or unit price on the day on which your transaction is deemed to be in good order. Due to market fluctuations, the price your shares or units ultimately receive could be less than the share or unit price when you initiated this transaction. It is also possible that if we are unable to reach you to verify this transaction within 5 days, this transaction may be canceled.
