Authorization for Electronic Funds Transfer (EFT)

EFT is an easy way to pay for your coverage.

- **EFT saves you time.** No checks to write and nothing to mail.
- **EFT is convenient.** Automatic withdrawals mean you do not have to keep track of when your premium is due. You will have a record of each transaction on your bank statement.

YES, please debit my bank account by means of EFT for my TIAA-CREF Life Insurance premiums. I understand that I must notify TIAA-CREF Life in writing if I wish to cancel this service.
