

You can open a new account by completing this form and mailing it to us. Or to avoid paperwork and make the process faster, you can open an account online by visiting TIAA.org/public/brokerage/custsvce/forms.htm. If you complete an online application, your account will generally be opened within one business day.

Whether you complete this paper form or go online, please keep in mind that to help the government fight the funding of terrorism and money-laundering activities, federal law requires all financial institutions, including TIAA, to obtain, verify and record information that identifies each person who opens an account.

What does this means for you? When you open an account, we will ask for your name, residential address, date of birth, Social Security Number and other information that will allow us to identify you. We may also ask to see your driver's license or other identifying documents. Until you provide the information we need, we may not be able to open an account or effect any transactions for you.

Questions? Please call 800-927-3059, weekdays, 8 a.m. - 7 p.m. (ET). Fax: 800-914-8922.

Funds invested pursuant to this agreement are not insured by the FDIC merely because the trustee or custodian is a Federal savings association, the accounts of which are covered by such insurance.
