

Streamline your trading by easily transferring money between accounts.

Moving money into and out of your brokerage account is quick and easy when you link one or more bank accounts.

Getting started.

STEP 1:

Log in to your <u>tiaa.org</u> account, select **Brokerage** and navigate into your account.

STEP 2:

Select **Transfer Money** at the top of the page.

Note: For new accounts, select Fund Account.

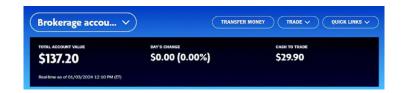

STEP 3:

Select Add or manage accounts.

Note: Use the drop-down menu to select from the existing banks that may already be available.

Your accounts

Adding your account.

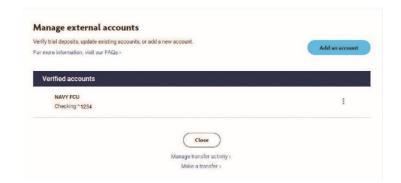

The quickest way to add your bank account is to use your online banking information to verify your account. If your bank isn't already verified; you'll be able to add an account using your information. If you're unable to verify using your online banking information, you'll be provided an opportunity to verify another way.

Getting started.

STEP 1:

Click the Add an account button.

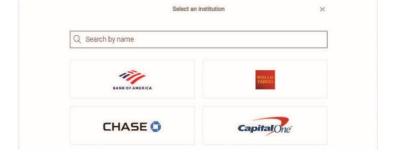

STEP 2:

Review the items you'll need to add a bank account, click the check box to agree to the Terms & Conditions and click **Let's get started.**

Easily add your external account in minutes Benefits of electronic transfers: · Convenient and fast way to access your funds - it only takes a few minutes. . It's safe and secure as TIAA must verify your bank account to ensure it's open, in good standing and owned by you. · Our verification process helps to deliver your funds to your financial institution safely by mitigating fraudulent transactions. Information we'll need from you to verify your bank accounts: Name of your financial institution and your online banking login credentials. Provide this information to verify an external account instantly. Simply choose your bank, log in to your online banking website, answer a security question and select the accounts you wish to use for transfers. Account type, account number and routing number for your bank account. For verification, submit your bank account information (typically found on paper checks, online statements, or by calling your financial institution). In many cases, your account can be verified instantly. Sometimes, we may need to use trial deposits, which may take a business day or two to complete. NOTE: Not all accounts are eligible for transfers. You can only add external checking and savings accounts held in your name at a U.S. bank. All Non-bank, Business, CD, Mortgage, or accounts that you do not own cannot be verified. For more information on adding external accounts, visit our FAQs > By continuing, I agree to the TIAA Money Movement Terms & Conditions. Cancel Let's get started

STEP 3:

Select or enter the name of the bank you'd like to add. Select **Verify another way** to manually enter your bank information.

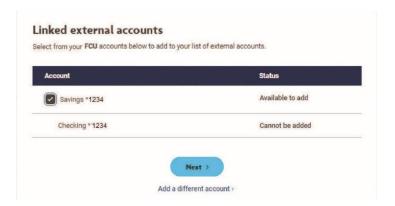

STEP 4:

The next screens vary by bank. You'll follow the prompts on the screen to enter your online banking credentials, select **Submit** and enter any additional security information your bank may require, such as two-step verification or security questions.

STEP 5:

Select the account(s) you'd like to link and you're all set.

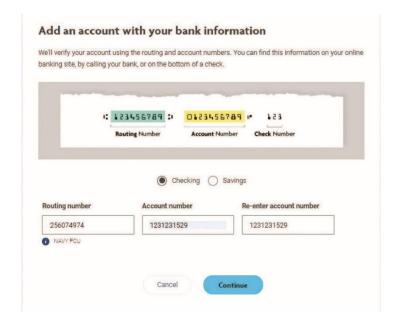

Manually enter your bank information.

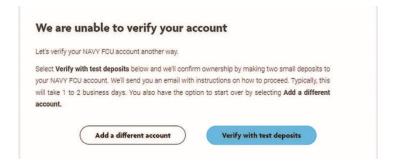

STEP 1:

Select account type and enter your institution's information.
Click **Continue** to verify the account.

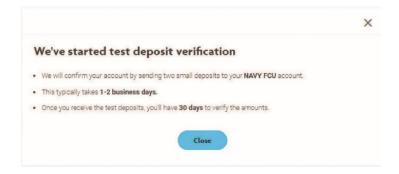

STEP 2:

Select **Verify with test deposits,** if we are unable to verify your account right away.

STEP 3:

Once the **test deposit verification** has started, you'll receive an email within 1 to 2 business days with instructions to complete the process.
