OF

TIAA BOARD OF OVERSEERS

As Amended March 18, 2004

ARTICLE I

Meetings

1. The trustees and members shall hold an annual meeting at the principal office of the corporation in June of each year at such time as the notice of the meeting shall specify. If the president or any three trustees shall so determine, the annual meeting may be held in a month other than June, at a time and place, either within or without the State of New York, as shall be specified in the notice of meeting. Notice of annual meetings shall be given by mail or otherwise to all of the trustees and members at least ten days in advance thereof.

2. Special meetings of the trustees or members shall be called at any time by the president or by any three trustees or members respectively, to be held at such time and place, either within or without the State of New York, and for such purpose or purposes, as shall be specified by notice given to all of the trustees or members at least ten days in advance thereof.

3. No notice need be given to any trustee or member who shall waive such notice in writing either before or after the meeting. Notice need not be given to any trustee or member who attends a meeting without protesting the lack of notice to him. Notice given by mail shall be given by mailing the same to the trustee or member, addressed to him at the last address shown by the records of the corporation, and in time to reach such address in ordinary course by the time the notice is required to be given.

4. At all meetings each member shall be entitled to one vote. Members may vote in person or by proxy appointed in writing.

5. The presence of four trustees or members shall constitute a quorum. Except as otherwise expressly provided in the constitution or by these bylaws with respect to the lections and amendment of the constitution and these bylaws, the act of a majority of the trustees or members present at a meeting shall be the act of the board of trustees or of the members, as the case may be. If less than a quorum is present at any meeting, a majority of those present may adjourn the meeting from time to time until a quorum shall attend.

6. Telephonic Participation. At all meetings of the board of trustees or members, or any committee thereof, trustees or members may participate by means of a conference telephone or similar communications equipment allowing all persons participating in the meeting to hear each other at the same time. Participation by such means shall constitute presence in person at a meeting.

7. Where time is of the essence, but not in lieu of a regularly scheduled meeting of the trustees or members, or any committee thereof, any action required or permitted to be taken by the trustees or members, or any committee thereof, may be taken without a meeting if all of the trustees or members or all of the members of the committee consent in writing to the adoption of a resolution authorizing the action. The resolution and the written consents thereto by trustees or members or members of the committee shall be filed with the minutes of the proceedings of the trustees or members or committee.
